F. No.: DPCC/RDPC/WAP/2022/221

Dated: 12/01/2024

OFFICE ORDER

Vide the office order dated 06.10.2023, 33 number of teams were constituted to carry out inspections for dust pollution control and were required to carry out the said inspections till 31.12.2023. Looking at the current air pollution scenario in Delhi, the drive is extended upto 29 February 2024. All the teams are hereby required to continue the inspections accordingly. Vehicles deployment order dated 06.10.2023 for the said inspections shall also be extended till 29 February 2024. The teams shall give priority to the tasks as under:

1. Inspection of Projects registered on Dust Portal to guide them and to ensure installation of Low Cost sensors and video fencing apart from ensuring the same are operational. Hand holding of the concerned needs to be done to ensure compliance with dust pollution control guidelines by these project proponents.
2. Hotspots of illegal solid waste, C & D waste dumping, bio-mass burning be compiled in the respective areas of jurisdiction.
3. Compilation of hot spots of e-waste burning prone be compiled in view of the recent order of Hon'ble Supreme Court of India.
4. Inspection and compilation of road stretches which are prone for dust pollution be compiled.

A reporting proforma shall be circulated by RDPC.
