

DELHI POLLUTION CONTROL COMMITTEE

5th Floor I.S.B.T. Building Kashmiri Gate Delhi-6

File No. – DPCC/(12)(1)(424)/Lab(A)/2022/815 Date:- 09/01/2023

Subject: Inviting Proposal for study on “Air Pollution created by Jugaad cycle rickshaws fitted with old two wheelers engines”.

Sir,

A study is being proposed by Delhi Pollution Control Committee on Air Pollution created by Jugaad cycle rickshaws fitted with old two wheelers engines running in Delhi. These Jugaad rickshaws marked with code names like Choudhry, Jugnu, Radhey Radhey etc. which indulge in transporting commercial goods in several markets of Delhi.

It has been observed that these Jugaad vehicles are also creating air pollution in Delhi. In this regard, DPCC is inviting detailed proposal for the impact/analysis study, ground survey of the number of such jugaad vehicles over a period of time, their vehicle/engine types and their potential air pollution caused.

You are requested to submit detailed Terms of Reference (TOR) along with financial proposal within three weeks i.e., upto 31st Jan 2023.
