- e. In the review meeting of DPCC taken by chairman on 03.02.2025, it was decided that henceforth, in case of units on rent only registered rent agreements shall be accepted in case of RED category industries. In this II(b) meeting dated 11.02.2025, the decision has been extended to all the units seeking consents under ORANGE and GREEN categories also. Therefore, henceforth, all the units are required to submit either the ownership document in their name/ registered rent agreements with the owner only. In the case of units which have already submitted their application and consent is pending, clarification shall be raised in this regard.

IT Cell needs to reflect this decision in the list of documents required while applying for consent.

It was also discussed that the rent agreements and the validity of consents i.e 10 years in case of Orange category and 15 years in case of Green category, may not be coincide. In this respect it was decided that validity of consent shall remain the same for corresponding categories with the condition to the units to upload renewed registered rent agreements regularly, that is after the end of tenure of previous rent agreement till the validity of consent. The consent conditions are to be modified accordingly.

- f. It shall be ensured by the IT cell as well as concerned cell-incharges that the consents/authorizations approved by this committee, along with the II(a) committee cases, are communicated through SMS/E-mail/Whatsapp/Link on SMS on the day of approving/granting the same.

Note:- All CFCs Incharges to ensure that decisions of the Committee are implemented within 03 days from the date of the meeting.

The meeting ended with a vote of thanks to the Chair.
