e. In the review meeting of DPCC taken by chairman on 03.02.2025, it was decided that henceforth, in case of units on rent, only registered rent agreements shall be accepted in case of RED category industries. In II(b) meeting dated 11.02.2025, the decision has been extended to all the units seeking consents under ORANGE and GREEN categories also. However, in this II(b) meeting dated 21.02.2025, the Committee has decided that consent applications which were applied before the date of 79th II(b) meeting i.e. 11.02.2025, may be processed as per the previous checklist and cases/applications received after 11.02.2025 may be granted only if Registered Rent Agreement is submitted by the applicant. Therefore, henceforth, all the units are required to submit either the ownership document in their name/ registered rent agreements with the owner only.

IT Cell needs to reflect this decision and give provision in the list of documents required while applying for consent accordingly.

In 79th II(b) meeting dated 11.02.2025, it was also discussed that the rent agreements and the validity of consents i.e 10 years in case of Orange category and 15 years in case of Green category, may not be coincide. In this respect it was decided that validity of consent shall remain the same for corresponding categories with the condition to the units to upload renewed registered rent agreements regularly, that is after the end of tenure of previous rent agreement till the validity of consent. The consent conditions are to be modified accordingly.

f. AD, WMC III informed that there are 07 cases of Authorization for import under the Hazardous and other Waste (Management & Transboundary Movement) Rules, 2016, pending in WMC III due to location of the storage site of the importer / applicant in Redevelopment Areas. It was informed by the Ex concerned Environmental Engineer of WMC III (Dr. Siddarth Gautam) earlier dealing with such cases that in the past Authorization was granted in one case of M/S Vans Metals, at Plot No-9, Khasra No-25, Nakul Gali, Radha Vihar, New Mandoli Industrial Area, Mandoli, Delhi- 110093. The issue was discussed in the meeting for deciding such applications and after discussion, it was decided that Authorization cannot be granted to such units in Redevelopment Areas because such areas are yet to be developed as per the provisions of MPD and therefore it was decided to Revoke / withdraw the Authorization granted earlier and refuse the Authorization to following 07 units:
