Subject: Minutes of 90th Meeting of the Committee for II (b) Category Cases held on 06.08.2025 at 11:00 A.M. under the Chairmanship of Member Secretary, DPCC

90th Meeting of the Committee for II (b) Category Cases was held on 06.08.2025 at 11:00 A.M. under the Chairmanship of the Member Secretary, DPCC, through VC mode. The attendance sheet of members of the committee who attended the meeting is enclosed as **Annexure - "A".**)

At the outset of the meeting, general decisions taken in the last meeting dated 25.07.2025 & 26.07.2025 were reiterated and on the same lines the cases put up before the committee were decided.

In this meeting, a total of 133 cases were decided, the status of which is as follows :

S. No	Particulars	No. of cases
1	Consent to Establish/ Operate/Operate (Renewal/Fresh) granted.	41
2	Consent to Establish/Operate (Renewal/Fresh) refused/rejected / infructuous as the unit has not submitted the requisite documents within the stipulated time.	71
3	Applications for Consent to Establish/ Operate/Operate (Renewal) are kept in abeyance due to water pollution/returned to the concerned cell for lacking facts/recommendations etc.	21
	Total	133

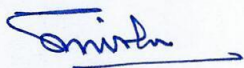

During the last meetings a decision was taken in case of old case, before 11.02.2025 to grant the consent to the units the only document required or not submitted was registered rent agreement/ownership documents(s) with the condition that the unit shall submit the same within 30 days of the issuance of the consent. In case of failure to do so, it was decided to revoke the consent of such units. The decision was taken in order to reduce the number of long pending cases. However, in the meeting, the matter of uploading registered rent agreement/lease deed/ownership document(s), after the consent has been granted was raised as there is no provision for uploading any document, either from DPCC side or at the level of unit, after the case has been disposed off. It was decided that IT cell shall arrange to upload such documents afterwards with the help of NIC. All the concerned to forward such documents to IT cell with details.
