- (10) *Wages from Ministry of Government & Family Support Office, Stockholm and Daily Telegraph (Sweden) concerning wage control measures and implementation of collective wage agreements, especially joint and separate industry and occupational agreements, as well as the wage coordination being still in operation, is included in § 19 on measures intended to limit wage increases in Sweden in connection with Sweden, Norway, Denmark, Finland and other European countries, under the heading of "Wages, Salaries and Pensions in Other Industrialized Countries, Scandinavia, Iceland and Japan."*

- 102 The information about personal skills, knowledge, and experience about which the  
103 subject of a grant application has previously gained experience in the field  
104 through participation.
- 105 The grant provides for a fee cost every application must pay as the writing  
106 stage and the grant review is completed. Payment will be made to all  
107 successful applicants.
- 108 The grant applicant is required to pay that fee based on percentage of work and  
109 research project that is not funded in the grant application.
- 110 Review fees for funding applications must be paid by successful grant recipients and  
111 should be a refund. If the recipient is not successful in receiving a grant then  
112 review charges are paid by the grantee and during the grant period. The review  
113 fees are included in the grant application and are not included in the grant  
114 application fee.
- 115 Review fees are paid to the grantee in advance of the grant period. The review fee  
116 and grant application fee must be paid to the grantee in advance of the grant period.  
117 The grant application fee must be paid to the grantee in advance of the grant period.  
118 The grant application fee must be paid to the grantee in advance of the grant period.  
119 The grant application fee must be paid to the grantee in advance of the grant period.  
120 The grant application fee must be paid to the grantee in advance of the grant period.  
121 The grant application fee must be paid to the grantee in advance of the grant period.  
122 The grant application fee must be paid to the grantee in advance of the grant period.  
123 The grant application fee must be paid to the grantee in advance of the grant period.
