Attendance Sheets for meeting on 30.11.2019 & 02.12.2019 are enclosed as Annexure "A" & "B".

Following are the Minutes of the Meetings:-

Agenda Item No 1: All Pending cases of Consent to Establish and Consent to Operate / Renewal from 02.11.2018 to 30.11.2019.

The cases of this agenda were decided online. During the meeting, it was observed that some of the cases were not reflected in the agenda. Therefore, committee decided to take up these cases in next CMC meeting along with the remaining cases.

Apart from this, cases of Consent to Establish and Consent to Operate / Renewal (old software pertains to CMC-I) were also decided in the meeting offline.

One case namely M/s Puri Enterprises, C-89, Sector-2, DSIIDC, Bawana Industrial Area, Delhi-110039 [Consent to Operate application dated 17.10.2019] was taken up administratively and the decision taken on file is ratified.

During the meeting, following decisions were taken:-

- (i) It was observed during the meeting that some of the cases were considered for grant of consent to operate in which directions for closure were also issued and decisions in respect of revocation of closure directions shall be taken as per office order dated 02.08.2017.
- (ii) It was observed that there is ambiguity to obtain MCD/Delhi Police/Fire licenses for considering the cases fall under RESDH Sector. To maintain the uniformity, Chairman of the Committee has decided to grant consent to establish and consent to operate and renewal without obtaining MCD/Delhi Police/Fire licenses however the consent to operate will be granted with the condition that unit shall submit valid MCD/Delhi Police/Fire licenses within 03 months from the date of issuance of consent. In case, unit fails to submit the same, consent to operate will be revoked automatically.
- (iii) It was decided by the Committee that in case of incomplete application, concerned Cell shall raise a clarification to the unit giving 07 days time and if unit has failed to submit / upload its reply in response to clarification raised by DPCC within stipulated period. Incharge of concerned cell shall issue show cause notice for refusal of consent immediately by giving 15 days time without prior permission of the committee.

Contd..2...

- (iv) It was observed that there was no provision in the new online software of DPCC developed by NIC to take print out the agenda and minutes of the meeting. IT Cell was directed to make a provision to obtain print out the agenda and minutes of the Committee. It was also observed that new online software developed by NIC is lacking in respect of many fields and thus many difficulties are being faced by CMC officials in deciding the cases and the same were apprised to the representative of NIC during meeting and asked to rectify on urgent basis. IT Cell to take up the matter on priority.
- (v) It was observed that in most of the cases, checklist was not prepared properly and concerned Cell did not provide its recommendations. Hence, it was directed by Chairman of the Committee that the concerned Cell will prepare checklist and give proper recommendations.
- (vi) All CMCs are directed to check each and every documents including required consent fee before issuing the consent to establish and consent to operate.
- (vii) All CMCs are directed to comply with the decisions of the committee within 07 days from the date of issue of these minutes and submit a compliance report to MS, DPCC through Incharge, CMC-V positively.
