The Members took account of the discussions and environmental conditions imposed during the consideration of the project in the SEAC meeting held on 22.02.2013. The SEIAA approved and granted Environmental Clearance to the project accordingly.

Chairman SEIAA opined that in the matter of residential projects which are already commissioned and have come up for EC due to marginal increase in built-up area, the environmental conditions imposed may be re-examined keeping in view their rational applicability as observed in the **Case No. 154**. He also suggested that where the potted trees are to be provided by the project proponent, the numbers of the trees, as far as possible, should be specified in numbers or in rows as observed in **Case No. 158, 159 and 160**.

The meeting ended with a vote of thanks to the Chair.
