3. Sh. B. Kumar, SEE, DPCC

5. EEs CMC – II & III.
6. EE, MSW Cell
7. AEE and JEE of CMC – I & III.

MS, DPCC was not present in the meeting due to his ill health.

Following decisions were taken in the said meeting:-

Agenda Item No.1- Personal hearings and discussion of Pyramid Mall, Aggarwal Associates and Parsvanath Developers, Inder Lok Metro

M/s Piramyd Mall: This unit has again absented itself and it appears and it is vitiating the due process of law. EE will visit the premises, ascertain the correct address and issue a notice for personal hearing for 23.04.2008 by 18.04.2008.

If, EE fails to do so, MS will put up the file with release of an ad in Hindustan Times and Hindi Hindustan on 22.04.2008 for personal hearing on 23.04.2008. Sh. M. Dwarkanath, SSO to ensure coverage of 50 cc space on 22.04.2008 in above two newspapers.

M/s Aggarwal Associates: The unit appeared for personal hearing and the built up area is less than what is required for Environmental Clearance. However, the unit has not applied for Consent to Establish despite waste water generation and use of D.G. Sets. Unit is directed to apply for Consent to Establish within a week with all the necessary data and the case will be taken up on 30.04.2008.

M/s Commercial Complex by Parsvanath Developers at Inder Lok Metro Station:

As the unit has submitted a representation requesting for adjournment of the hearing, it was decided to call the unit for personal hearing on 23.4.2008.

Agenda Item No.2- Special reference cases.

Decisions taken with respect to this agenda item are tabulated and annexed as **Annexure – 1**.

Agenda Item No.3- Shopping Mall cases

Decisions taken with respect to this agenda item are tabulated and annexed as **Annexure – 2**.

All notices, wherever decided, may be issued both at the office address and Shopping Mall address.

Agenda Item No. 4- Representation by Wazirpur Industries Joint Action Committee regarding action against Wazirpur Industrial Area CETP Society.

After detailed discussion of the agenda it was concluded that there is no action warranted at this stage..

Agenda Item No.5- Representations received from APIA CETP Society (Regd) & from Anand Parbat Effluent Treatment Ltd. regarding the recognition of the CETP Society.

There appears to be no reason to form a Society when there is no CETP in APIA. Taking this stand, we must return all the petitions and applications received from CETP Society in APIA to Commissioner of Industries to wind up all such Societies. The logic of such Society without CETP is totally unclear and only leads to unnecessary confusion and alleged misuse of funds of members of the Society. A letter from MS may go to Commissioner of Industries.

In a related matter the file where in 150 cases consents have been issued, may be put up on file for submitting to Pr. Secretary to C.M with reference to meeting called by him.

Agenda Item No.6- Cases of renewal w.r.t Okhla Ind Area

Due to paucity of time, this agenda could not be taken up for discussion and it was decided to take up the same on 23.04.2008.

Table Agenda Item: A letter was received from M/s Y.M.C. Buildmore Pvt. Ltd. that he has filed a cash penalty of Rs. 80 Lakh and Bank Guarantee of Rs. 80 Lakh and despite clear order of CMC dated 28.03.2008, the Consent to Establish has not been issued by the concerned EE for which his written explanation may be submitted on file by MS on 21.04.2008. If the reply is not found satisfactory, an entry will be made in his ACR.

For not violating the CMC decisions, MS must once again issue a clear circular to all members of CMC.

In this case, EE will call the unit on 18.04.2008 and issue the Consent to Establish without fail and confirm the same on file.

Meeting ended with thanks to the Chair.
